

# SureLock® All Suture Anchor

Solves The Mystery of Anchor Displacement

## Novel Inserter-Controlled Deployment Method

- Eliminates manual tensioning that can lead to partial deployment or anchor pull out.
- Provides consistent anchor delivery beneath the cortex for strong, reproducible fixation.

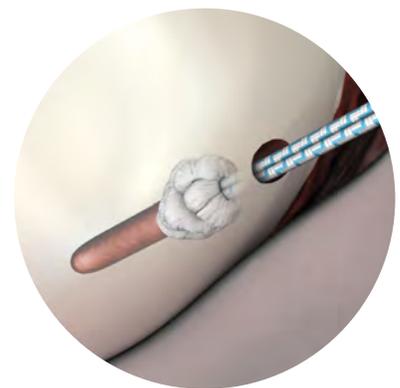

## Take a closer look...

## Mystery **Solved.**

- Soft anchor allows for a **smaller footprint and minimal bone removal.**
- **Curved and straight drill guide** options for precise anchor placement.
- **High strength UHMWPE suture** allows for smooth suture sliding and knot tying.

### Ordering Information

#### SureLock All-Suture Anchor 1.4 mm

| Description   | Part Number |
|---|-------------|
| SureLock All-Suture Anchor, 1.4 mm pre-loaded implant w. (1) Size 2 UHMWPE Suture | CM-9614F    |
| Drill, for 1.4 mm SureLock All-Suture Anchor                                      | CM-9640     |
| Drill, with centering sleeve, for 1.4 mm SureLock All-Suture Anchor               | CM-9640S    |
| Hard Bone Drill, 1.4 mm SureLock All-Suture Anchor                                | CM-9640H    |
| Hard Bone Drill, with centering sleeve, for 1.4 mm SureLock All-Suture Anchor     | CM-9640HS   |
| Obturator (blunt), for 1.4 mm SureLock All-Suture Anchor                          | CM-9641     |
| Drill Guide (straight), for 1.4 mm SureLock All-Suture Anchor                     | CM-9643     |
| Drill Guide (curved 25°), for 1.4 mm SureLock All-Suture Anchor                   | CM-9645     |

#### SureLock All-Suture Anchor 2.2 mm

| Description  | Part Number |
|--|-------------|
| SureLock All-Suture Anchor, 2.2 mm pre-loaded implant w. (2) Size 2 UHMWPE Sutures | CM-9622F    |
| Drill, for 2.2 mm SureLock All-Suture Anchor                                       | CM-9620     |
| Drill, with centering sleeve, for 2.2 mm SureLock All-Suture Anchor                | CM-9620S    |
| Obturator (blunt), for 2.2 mm SureLock All-Suture Anchor                           | CM-9621     |
| Drill Guide (straight), for 2.2 mm SureLock All-Suture Anchor                      | CM-9623     |
| Drill Guide (curved 25°), for 2.2 mm SureLock All-Suture Anchor                    | CM-9625     |
